

I own a small business.
What do I need to know?

Affordable Care Act Forum: The Impact on Small Businesses

This forum will offer details and solutions on the Affordable Care Act for small businesses. The forum will feature a panel of experts from the insurance, legal and accounting industries who will help attendees understand the requirements, opportunities and benefits of the Affordable Care Act. Panelists will discuss:

- What does the Affordable Care Act do and not do for small businesses?
- What will be the impacts on small businesses in South Carolina?
- How can small business owners save more money?
- What are the opportunities for small businesses in South Carolina?
